

PROTECT MEDIA DIVERSITY; PRESERVE DEMOCRACY

I urge you to retain the current FCC rules barring one company from owning television, print, and radio media outlets in a single market. This regulation exists to prevent enormous media conglomerates from gobbling up smaller outlets, so that a diversity of voices in the media is preserved. This regulation is essential to a free and democratic exchange of ideas. Please, in your upcoming decision, represent the will of the people, which is to maintain media diversity.

Sincerely,

Joseph P. Malherek
